As a **user**, I want to **categorize** my income and expenses so that I can understand where my money goes.

As a **user**, I want to set **budget limits** and **savings goals** per category so that I can stay within my budget and reach my financial targets.

As a **user**, I want to view **interactive charts and summaries** so that I can visualize my spending habits and cash flow trends.

As a **user**, I want to receive **notifications** when I'm nearing or exceeding my budget so that I can adjust my spending accordingly.
