Sprint Description:

This sprint prioritized the budget's features, notification's features, reports, and refinement of dashboard and sidebar.

Sprint Retrospective:

- What went well?
 - Notifications has implemented this reminders:
 - Budgets that are about to run out
 - Exceeded Expenses for Budget
 - Completed Savings
 - Savings Milestone
 - Dynamic Progress Bar for Budgets is now working based on the expense of the user.
 - **Total spent** in the budgets page is done and computed based on the **total budgets** subtracted to **total expenses** of the user.
 - Sidebar is now toggleable and the user can select which sidebar type they prefer. (**Expandable or Collapsible**)
 - Dashboard is now refactored as an onboarding page for users.

- What could be improved?
 - Improve the responsiveness of pages for mobile devices.
- What needs to be done?
 - **Remaining Tasks in the Project:**
 - Custom Categories Page for Users.
 - Testing of Functionalities.
